Web: [www.westplaza.co.nz](http://www.westplaza.co.nz)

## MEET AND GREET, FRIDAY 2nd February

Meet and Greet this year will be at Panhead Brewery located on Tory Street.

## RACE DAY SET UP

Pits will be at the main boatramp:

Due to the tight set-up at the Ramp we ask all non towing vehicles to park outside the immediate ramp/trailer parking area.

## LAUNCHING OF BOATS

Launching of all boats will be done via main launching ramp at Evans Bay. This is a public ramp so please be respectful of others including members of the public wishing to use it.

## SPECTATORS VIEWING POINT

While Race Base is going to be a fantastic location for the day's events it is not going to provide optimum viewing for the race itself.

The best vantage point for viewing in the past has without a doubt been Point Jerningham right on the start/finish line and with a superb view of over 70% of the course. There is very little parking around this area so please keep this in mind. It is a 5min drive or 40min walk from the race pits.

The Crowds Line up at Point Jerningham to grab a glimpse of the action

**PRIZE GIVING – Panhead Brewery**

Saturday nights Prize giving will be at Panhead Brewery 6pm
